Our commitment to excellence is reflected in every scoop, crafted with love and designed to delight your clients, making us the ideal partner for your business.

## OUR PHILOSOPHY

At GelaTeo, we believe in:

### Passion for the Extraordinary

Our dedication to crafting gelato with the very best natural ingredients and Italian savoir-faire sets us apart.

### %100 Natural Ingredients

All our products are made without preservatives, artificial flavours, or synthetic colorants. Our gelato and sorbets are nutritious and all-natural.

### Handcrafted Excellence

Our artisanal process relies on traditional methods and turbines to maintain the integrity of our noble ingredients.

### Italian Formula

Our balanced recipes ensure perfect creaminess, firmness, and texture, avoiding crystallization. Each recipe is meticulously tested and perfected by our artisan, ensuring a unique taste sensation.

### Locally Made, Artisan Crafted

Our Toronto-made gelato is crafted by our master artisan with over 15 years of experience.

Trained by Italian gelato master Don Pierluigi Tozzi, who has perfected the art for over 50 years.

We take pride in offering delicious gelato made with the highest quality ingredients at affordable prices.

## QUALITY PROCESS

At GelaTeo, quality is our top priority. We ensure that every batch of gelato meets our high standards through a meticulous process:

### Strict Quality Objectives

Our gelato upholds top quality standards in every step: preparation, storage, and delivery.

### Rigorous Risk Analysis

We conduct comprehensive risk assessments at every stage of our production process. Our dedication to rigorous analysis guarantees that every scoop of gelato is safe, delicious, and of the highest quality.

### Optimized Product Tracking

From sourcing ingredients to production and packaging, every step is meticulously scrutinized to minimize risks, ensuring both traceability and consistent quality.

### Continuous Improvement

At GelaTeo, we are committed to continuous improvement. We consistently update our processes to integrate the latest advancements in gelato production and quality control.
